Peppermint Brittle

2 pounds white chocolate
30 small peppermint candy canes

Line a large metal baking pan with heavy-duty foil. Place candy canes in a heavy plastic bag or between two pieces of waxed paper. Using a frying pan or rolling pin, break the candy canes into chunks. Place white chocolate in a large microwave safe bowl. Heat in the microwave on medium setting for 5-6 minutes. Stir occasionally, until chocolate is melted and smooth. Stir peppermint into melted white chocolate and spread evenly in pan. Chill 1 hour until set.
