

Hot Chocolate Mix

4 cups nonfat dry milk powder

1 1/2 cups sugar

1 cup coffee creamer

2/3 cup unsweetened cocoa powder

4 ounce package instant chocolate fudge pudding

6 peppermint candy canes powdered

Mini marshmallows

Extra candy canes to stir with

Put 6 candy canes in food processor and grind until powdered. Add milk powder, sugar, coffee creamer, cocoa powder and pudding mix to powdered candy canes and pulse until well mixed. Place mix in a sifter and sift to make a really fine powder. Store in a sealed container.

To Use: Add 1/2 cup of mix to an 8 ounce cup and fill with hot water. Top with mini marshmallows and stir with candy canes.
