

## Easy Toaster Pizzas

- 12 very thin slices bread
- $\frac{3}{4}$  cup tomato sauce
- 1 cup shredded provolone or mozzarella cheese
- 2 tablespoons chopped fresh parsley
- 1 teaspoon dried oregano
- pepperoni slices

Roll bread slices with a rolling pin until very thin. Lightly toast each slice of bread and then cut into circles, using a small plate as a pattern. Spread 1 tablespoon sauce onto each pizza and top with shredded cheese. Sprinkle with parsley and oregano and top with pepperoni slices. Bake on broiler tray until cheese melts.
