

Almond Bark Popcorn

- 3 packages microwave popcorn
- 1 pound package white almond bark
- 3 tablespoons peanut butter

Pop popcorn in microwave according to package directions and then put in a very large bowl. Melt almond bark according to package directions and then add peanut butter. Stir together. Pour over popcorn and mix well. Spread popcorn out on waxed paper and let set for 2 hours to harden. Store in air tight container.

Tip: Try using chocolate almond bark. Or peppermint bark (but leave the peanut butter out of this one).
