

Two large, tilted rectangular areas with horizontal lines, intended for writing. The top area is white with a pink border, and the bottom area is white with a blue border.

A tilted rectangular area with a white background and a purple border, intended for writing.

## Easter Chicks

**2 cups peanut butter**  
**½ cup powdered milk**  
**½ cup corn syrup**  
**¼ cup honey**  
**2-3 cups shredded coconut, divided**  
**Yellow food coloring**  
**Green food coloring**  
**Mini chocolate chips**  
**Orange gumdrops**  
**Red fruit roll ups**  
**Jelly beans**

**Tint 1 cup coconut with yellow food color and process in food processor or blender until finely chopped. Mix peanut butter, powdered milk and or corn syrup together. Shape dough into twelve ½ inch balls and twelve 1 inch balls. Roll balls in honey and then in yellow coconut to coat. With toothpick, secure a small ball on a large ball to form chicks. Use mini chocolate chips for eyes, gumdrops for beaks and cut out fruit roll ups for head crowns. Tint remaining coconut with green food coloring and place on a plate. Arrange chicks on coconut and add jelly beans as eggs.**
