## Pizza Chicken Roll Ups

Flour tortillas

Pizza sauce in a jar

Italian seasoning spice

4 thick slices chicken lunchmeat

Pre-cooked pepperoni slices

4 slices mozzarella cheese

Real bacon bits pre-cooked

Spread 1 tablespoon pizza sauce on each tortilla and sprinkle  $\frac{1}{4}$  teaspoon of Italian seasoning spice on top. Add 1 lunchmeat slice and then add slices of pepperoni on top. Put 1 slice of cheese over top the pepperoni and sprinkle bacon bits on top. Roll up each tortilla and keep closed by poking wooden toothpicks into each roll up. Place on a plate in the microwave and cook 30 seconds, just until cheese begins to melt.
